How can we make being a parent a little EASIER?

Having a teen driver can cause stress for a parent on many levels. Mostly you worry about their safety. But you're also likely to be concerned about expenses, including higher insurance rates and what might happen if your teen is in a crash.

This brochure offers some basic tips for keeping car insurance costs down and other helpful information.

Boost your coverage and you can save.

Your Choice Auto* has innovative features that can help you feel better protected if your teen* does crash, and save you money if they don't.

ACCIDENT FORGIVENESS

With Accident Forgiveness your rates won't go up just because of an accident — starting the day you sign up.

SAFE DRIVING BONUSSM

You can save up to 5% off your renewal bill for every 6 months without an accident. That's on top of any Safe Driver or Good Student discounts Allstate already offers.

DEDUCTIBLE REWARDSSM

Get an immediate \$100 off your deductible the day you sign up. Then you'll get \$100 off for each additional year you don't have an accident. Up to \$500 total.

NEW CAR REPLACEMENT

If your teen is involved in a crash, and your car is less than 3 model years old, you can get a totally new car — not just the depreciated value.

Talk with your Allstate agent.

Your Allstate agent can provide you with information to help you decide if your levels of coverage are adequate now that you have a teen driver. For example, you might consider more liability coverage. Your Allstate agent can also show you ways you can save through discounts and even the type of car you buy.

Talk with your teen.

Your involvement in your teen's driver training plays a big part in preventing crashes. Ask your Allstate agent for tools that can help, including a DVD with a powerful safe driving message and a Parent-Teen Driving Contract. Or, for additional resources, visit allstate.com/teen.

Feel better protected and maybe even save money doing it. **CALL YOUR ALLSTATE AGENT TODAY FOR A QUOTE.**
